MORE THAN A GIFT

No one wants their child to grow up to be homeless on Christmas day.

HOW TO HOLD THE PERFECT

CHRISTMAS JUMPER DAY

We've compiled a few ideas to add that extra festive flair to your Christmas Jumper Day.

STEP 1

Choose a date to hold your Christmas Jumper Day and let everyone know when to wear their wackiest woollies! Contact us at jumperday@corksion.ie

Dare to wear your craziest Christmas Jumpers and ask everyone to donate €2 or more to Cork Simon.

STEP 3

Return the money you raised to Cork Simon or collect online donations via your fundraiser.

STEP 2

Take loads of festively fun photos and post them online. Remember to tag Cork Simon, so we can share the joy too!

STEP 4

FESTIVE FEASTS

Aprons on! Gather your best bakers to whip up a festive feast to raise even more funds for Cork Simon. You can even make things competitive and vote for a winner.

DARE TO WEAR ON ANOTHER LEVEL

JUMPER AWARDS

Drumroll, please! Whatever the activity, an award is a must. Oh, and a sticker. Ramp up your Jumper Day laughs by picking the craziest upsparkled Christmas Jumper, joke or story.

Set a Jumper Day target and if you reach it, your boss, teacher or designated member of the group/family has to wear an extravagant ensemble.

It could be reindeer antlers, a Santa suit or Christmas pudding apron. Don't forget to take a snap of them!

DOUBLE YOUR DONATION

For companies, ask your management team if they'll double your donation by matching what you raise. There are a number of ways to double your funds, like a sponsored sports game or a quiz where everyone puts in money each to play.
